Clarification;

WHY FOLLOW JESUS ?;

The basis to follow Jesus is; love, because;

1 God, the creator of all (Jahweh) has also created man; out of love, as the crown of creation. BUT; WITH THE OWN FREE WILL OF MAN. Man can have his own ideas and may take in his own hand his own way of doing

2 God loves man and is prepared to do all.

3 He sacrificed his only begotten son Jesus (Jeshua) with whom He is one; out of love;

* to free us from sin,

* to give us a chance to live a good live,

* to liberate us (from all kind of edictions, bad character-qualities, bad habits and inherited peculiarities and all kind of diseases)

* to be there, as a precious creation er te zijn als een kostbare schepping.

In a way that we would be fully worthy; not above Him, but besides Him and under His guidance

4 For: Because of His sacrifice (the blood of Jesus), because of that great present, the passage is cleared and our sins are forgiven; if we learn to love Him, to know Him and are growing to believe in Him.

Then the door is open for a new life in Him.

Then can our old bad character be killed and a new character (His character) can arise in us.

Then we are really loosed and set free; no matter how bad we have been living.

5 And if we regret your old live and convert; than sees the Lord us right through His son, as a holy human being.

6 Even if beyond our control we keep on living bad, but go on our knees and confess our sins; our debts will be forgiven.

And if we ask for help we will receive help.

7 The more one knows Jesus, the more one can start loving Him even more.

And while we are free, we love to walk more with Jesus, according His principles; out of love.

And than His yoke is light and His burden is not heavy. And our cross is a delight.

And our love for JESUS and JHWH the Father, is than a reply,

to the infinit overwhelming love of Our Creator.
